22" High-Definition LCD TV

The Samsung LCD TV Series 4 is the obvious choice for unrivalled HD entertainment. Its sensational style, cutting-edge technology, and premium HD picture quality enable it to take you beyond the limits of your imagination. The Series will become your single source of home entertainment with Wide Colour Enhancer, ConnectShare™, multiple HDMI inputs, and convenient Entertainment Mode. Plus Samsung has been leading the way with its dedication to products that are gentle on the environment so that we can all live on a greener, cleaner planet.

ConnectShare Movie™

With the ConnectShare Movie™ capability, transform your LCD TV into a home entertainment theatre. Simply plug in your USB memory drive or HDD into the TV and instantaneously enjoy a range of movies, photos and music on your LCD TV. So instead of watching movies on your PC, you can download them onto a USB and watch them in the comfort of your living room on your LCD TV.

Anynet+™

Take the drama out of enjoying your home theatre. Anynet+ delivers one-touch control for all compatible Samsung audio and video devices connected via HDMI. Now one touch is all it takes.

3 HDMI™

All it takes is one cable to connect your TV to your other audio and video sources. Samsung HDMI ports allows you to import all kinds of content without compression including pictures and videos from your digital camcorders and multimedia PCs. Now enjoying it all on a wide HD screen couldn't be easier.

Wide Colour Enhancer

Wide Colour Enhancer delivers an even broader range of colours to your screen and the most vibrant, saturated, yet completely life-like tones ever.
